

LARGE SCREEN PRESENTATION

Turn TV on

Click on remote control symbol  to navigate to inputs.

Select HDMI 2 PC.

Login to computer password: Stanhope.

The presentation is on the desktop, called Woolgate Interactive (the square logo!)

Double click on this.

Click on green button top left to fill screen (or Chrome menu, view, enter full screen).

To Activate up and down arrows on keyboard, click anywhere on presentation once to activate.

To minimise, navigate with mouse to top left of screen and select green button again, red button closes the presentation down completely.

IPAD PRESENTATION

On iPad there are 2 icons
Woolgate (green logo symbol) is a web based fully interactive ipad version, please note this requires WIFI.

The other button is Acrobat, this is linear pdf version for touring round building, as doesn't require WIFI (though film and 360 tours will require WIFI)

ADDITIONAL

While in Marketing Suite the power went out for about 5 mins.
when the power returned, the PC came back on, as did the TV power.

but the wifi didn't automatically connect
If this happens, click on the WIFI symbol  top right menu, in the drop down select Project WIFI, and will automatically join (doesn't ask for password).

If you need the password for Project-WIFI here it is
